## **1. BACKGROUND TO OECS TRACK & FIELD CHAMPIONSHIPS**

In 1986, then OECS Sports Coordinator, Joseph 'Reds' Perreira, conceptualized the OECS Track and Field Championships with the first edition set for the Queen's Park, St George's, Grenada. He secured the sponsorship for the annual event of then regional conglomerate, TEXACO.

TEXACO, with its main regional office located in Barbados, played a major role in the organization and administration of the annual TEXACO OECS Track and Field Championships. Trinidad and Tobago's Wilton Jackson, was brought on board to assist with the technical aspects of the event while the Secretariat was often supported by staff from Barbados.

In 1987 the Championships were held in Grenada. One year later, Antigua and Barbuda was the venue. In 1989 the competition returned to Grenada with St Kitts and Nevis hosting the event in 1990. St Lucia was the host in 1991.

TEXACO also sponsored the annual TEXACO Track and Field Championships in Barbados during the same years they sponsored the OECS equivalent. At these Championships the OECS fielded a team selected based on performances attained at the annual TEXACO OECS Championships. The team's management was determined in large measure by the OECS Sports Coordinator.

## 33<sup>rd</sup> OECS Track & Field Championships

Kirani James Athletics Stadium

1<sup>st</sup> - 2<sup>nd</sup> July 2017

In 1992 TEXACO encountered a number of critical problems that forever changed its global standing and shifted its focus in the Caribbean. This came after having engaged in the sponsorship of the West Indies Cricket team on its tour to Australia in the latter part of 1991. In 1992 the TEXACO OECS Track and Field Championships and the TEXACO Championships both came to an abrupt end. The annual TEXACO Track and Field Championships provided a very high quality of competition and brought together many of the region's best athletes.

In 2004, the British Virgin Islands hosted the OECS Relays with an aim towards jumpstarting regional competition. However, it was not until in 2011 that St Kitts and Nevis Amateur Athletics Association (SKNAA) began inviting member federations of the OECS to participate in their annual Track and Field Championships. In 2012 the SKNAAA introduced what it called the OECS Invitational.

In 2013 the Association of National Olympic Committees of the OECS (ANOCES) agreed that it was important to encourage the development of competitions amongst its membership beginning with Athletics. Thus ANOCES committed to supporting participating teams in what was again called the OECS Track and Field Championships, the first edition of which was held in 2014.

Meanwhile, the OECS Athletics Congress (OAC) agreed in 2013 to make all necessary arrangements to facilitate an annual OECS Track and Field Championships and to introduce the OECS Relays effective 2015. It was also agreed that the SKNAAA would serve as the perennial alternate for the annual OECS Track and Field Championships.

Unfortunately, in 2014 there was no host for the OECS Relays. In 2015, the SKNAAA, having hosted the annual CARIFTA Games over the Easter weekend, could not raise the sponsorship and funding to host the Inaugural OECS Relays. Additionally, the hosts of the OECS Track and Field Championships, British Virgin Islands, indicated that

33<sup>rd</sup> OECS Track & Field Championships

Kirani James Athletics Stadium

1<sup>st</sup> - 2<sup>nd</sup> July 2017

the state of the track was unfit for the level of competition associated with the event. The Championships was cancelled.

The British Virgin Islands hosted the Championships in 2016.

## **2. Grenada - Hosts of 2017 Championships**

The Grenada Athletic Association was formed in 1924. It was then named the Grenada Amateur Athletic and Cycling Association. The Association became affiliated to the International Amateur Athletics Federations in 1970. The two sporting disciplines separated.

The Association has had a good track record in organizing local and regional competitions. Grenada has hosted Whitsuntide Games since the 1950's going into the 1960's, 1970's, 1980's and 1990's. It was a Meet well regarded by Federations in the wider Caribbean with good attendances from their athletes. During that time the meet was held on a grass track.

Our Stadium was constructed in 2000 and we then hosted the CARIFTA Games. In 2003 we hosted the CAC Senior Championships and in 2004 revived the Whitsuntide Games with teams from Bermuda, British Virgin Islands, St. Vincent, Netherland Antilles, Trinidad & Tobago, Guyana, Canada, Great Britain, Dominica, Jamaica, Martinique, Antigua, St. Lucia, Barbados, among others. Unfortunately, Hurricane "Ivan" in September 2004 demolished our stadium and it was not until 2015 that we got it rebuilt.

In December 2013, with the assistance of the Peoples Republic of China, the reconstruction of our National Stadium commenced and was completed October 2015. The facility was awarded a Class 1 Certification from the IAAF. Since then, we have hosted the 2016 CARIFTA Games and during 3<sup>rd</sup> - 4<sup>th</sup> June will host Whitsuntide Games which will be an annual feature on the region's athletic calendar during the

Whitsun weekend. In 2018, Whitsuntide Games will be held on Saturday 19th and Sunday 20th May.
